Sonoma County Data & Assessment Network

California's new accountability system has many elements that support continuous improvement. The purpose of the Sonoma County Data & Assessment Network is to help leaders stay current on issues related to assessment, data, and accountability. Network meetings will provide an opportunity to learn about relevant issues, understand California Department of Education updates, answer questions, and network with others in the county who have responsibilities for data and assessment.

The network is scheduled to meet four times during the 2017-18 school year:

- September 27, 2017
- November 29, 2017
- January 26, 2018
- April 12, 2018

Tentative Agenda for September 27 meeting:
The September meeting will provide a special focus on Local Indicators of the California School Dashboard.

1. **Updates from California State Board/CDE**
2. **CAASPP Work Plan for 2017-18**
3. **Planning Student Accessibility Options**
4. **California School Dashboard - Local Indicator**
5. **District/School Sharing**
