

## Grading for Equity Institute

This intensive 2-Day Institute will build capacity with teachers, administrators, counselors, school board members and other educators to begin implementing equitable grading practices. Geared toward secondary educators, the institute will combine hands-on activities, interactive lectures, and small-group discussions to build a collective understanding of the practices that support equitable grading in a school setting.

A copy of *Grading for Equity* by Joe Feldman and a workbook are included with registration.

*Participants must attend both days.*
